American TESOL for Children online certification program gives you a general guide to the theoretical approaches of TESOL. Methodologies of TESOL, TEFL, and ESL are explored, with focus on building the style of teaching that best suits your personality. TESOL for Children course focuses on teaching methods for age groups two through seventeen, and the different developmental stages of children. Instructors focus on a variety of TESOL methodologies, classroom disciplinary methods, and which combination of methods work best in TESOL classrooms.

Program Objectives - Examine the core knowledge of TESOL - Create ESL lesson plans - Assess and compare TESOL methods of teaching - Facilitate successful communication in the TESOL classroom

Goals Addressed - Correctly identifying methods and approaches to TESOL. - Improvement of student achievement by creating a safe and shameless learning environment. - Improvement of teacher confidence. - Introduction to teaching ESL online.

Competencies *Participants will be able to:* - Consistently provide a classroom environment that is supportive to the latest trends of TESOL. - Design and implement ESL lesson plans that reflect best teaching practices, and target student ESL learning needs. - Demonstrate high expectations of all students learning. - Monitor and assess student progress.

TESOL certification issuance based on: - Successful completion of required assignments - Successful completion of required lectures - Successful completion of

required quizzes - Successful completion of required thesis

Distance Learning - Allows you to create your own learning environment - Allows you to complete studies at your own pace - Allows you to fit curriculum into a busy lifestyle

How it Works Online - Utilization of learning software such as Moodle, Adobe Connect, & Php Live - Login to complete assignments and view your progress towards TESOL certification - Interact live with American TESOL instructors via webcam & chat
